FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification dated 14th May 1947.

Re.—Registers to be maintained by Departmental Officers for watching the receipt of bills sent for preaudit.

To

All Departmental Officers.

No. 451—B. ii. At present, there is no satisfactory arrangement for watching the disposals of several classes of Bills sent by Departmental Officers for preaudit to the Comptroller's Office or other Audit Offices. Reminders are often received, sometimes months or years after the bills were first presented enquiring about their disposal. The work of replying to such belated enquiries is rendered extremely difficult as the concerned registers in the Audit Office would have ceased to be in current use. After getting at the old registers it has often been found that the bills in question had been returned to the concerned Departments. To obviate all such belated investigations, Government have approved the addition of a New Rule 5 (E) to the Annexure to Mysore Civil Account Code, Volume I, as noted below, directing all departmental officers to maintain and scrutinise a Register of Bills sent for preaudit :—

"It is the primary duty of every officer including countersigning officers, who have to arrange for the payment of Bills, to see that a proper account is maintained of Bills received, and disposed of, as the responsibility of an officer receiving Bills does not cease until he gives a final clearance for them. A suitable Register should, therefore, be maintained of all Bills received and disposed of. As regards Bills sent for preaudit, every office forwarding Bills for preaudit should maintain a Register in the following form for watching the Bills sent for preaudit and their return. In the case of Bills Payable at Bangalore, Registers may be taken or sent to the Pay Section of the Comptroller's Office or other Audit Office concerned once a month for verification. In the case of Bills Payable at the mofussil Treasuries, the Departments should send weekly reminders to the Pay Section of the Audit Office with a view to expedite disposal".

Register of Bills sent for Pre-audit.

Date	Sl. No.	Particulars of the bill.	Token or Non-token.	Date of receipt of cheque or Bill or Advice of issue of cheque.	Cheque No. and date.	Date on which cheque or Bill was cashed, handed over to the parties or returned to sub ordinate officers.	Remarks (Reference to reminders, etc.)

All Departmental Officers are requested to follow the instructions contained in the above Rule, which will come into force immediately.

8439

Circular dated 17th May 1947.

To all Drawers of Bills in the State.

Subject.—The presentation of contingent, supplies and services bills for preaudit before the end of the official year 1946-47.

No. 318—P.S. To avoid rush of bills in the last few days of the official year all the Drawing Officers are hereby requested to send the bills to this office for preaudit as early as possible, as soon as each bill gets ready. Keeping them till the end of the month and sending them during the last few days of June 1947, will cause great inconvenience on account of sudden pressure of work in the Audit Office. Much avoidable pressure will also be thrown on the Pay Section adding to the heaviness and congestion in that section.

Bills for contingencies, supplies and services received in this office after the 25th June 1947 cannot ordinarily be expected to be returned audited before 30th June 1947.
